

## High Performance Teams for the 2010-2011 Skating Season.

The Hp Coach, Program Developer along with the Skater Development Chair will be meeting on Jan 25. to select the HP and Sask. First teams. Selection will be based on previous CPC scores, ability, placement, commitment and age. As was done last year, the skaters will have a detailed outline of what is expected from them. As requested, the coaches of the skater will also receive this information. Invitations for Teams will be sent to both skaters and coaches by mid to late February.

## Canada Winter Games

Pre-Novice and Novice skaters who have been selected for the HP or Sask. First team and who are age eligible will be considered as a Canada Winter prospect provided they fully commit to the requirements of the HP or Sask. First team. Once the selections have been done, invitations sent and accepted, SD will then provide the skaters and their coaches with a detailed plan for the upcoming year prior to the Canada Winter Games. We hope to have all this laid out by the end of Feb.

If you have any questions or concerns, please contact the Skater Development chair [cmlaevens@sasktel.net](mailto:cmlaevens@sasktel.net) or the Hp coach [hpcoach@sasktel.net](mailto:hpcoach@sasktel.net) .

## Competitive Development Team

This Team will be named after Sask. Winter Games and Jean Norman.
