

## 21/07/2011 – Single and Pair Skating, Spins

2011/2012 Records of Clarifications from Sports Directorate and Technical Committee

**SINGLE/PAIR SKATING**

**Spins/Solo Spins**

### **Question:**

According to the TP Handbook 2011-2012, “The feature for the flying entry can be granted only if the basic position is reached within the first two (2) revolutions after the landing”. Is the feature granted if the skater/both skaters just recognizably reaches/reach a basic position or this basic position must be held for 2 revolutions?

### **Answer:**

**The feature can be granted if the skater/both skaters just recognizably reaches/reach a basic position, it is not compulsory for the skater(s) to stay in this position for 2 revolutions to get the feature.**
